**This calendar is prepared by taking proposed GTU academic calendar as reference						

Institute Vision

To produce competent diploma engineers as per need of industries and entrepreneurs with ethical values'

Institute Mission

-Industry oriented technical education.
-Excellent teaching and learning environment.
-Promote entrepreneurship activities.
-Continual growth in every sphere of life by developing core human values.

Vision of the Department

The department envisions to achieve professionals in emerging field of civil engineering to meet aspirations of the society by transforming students to be technically skilled entrepreneurs, ethical and environmentally sensible civil engineers.

Mission of the Department

* To impart civil engineering skill to enhance their employability in the industries.
*Establish industry collaboration through internship and interaction with professional society through experts , workshops.
*Promote leadership management and entrepreneurship skills in a student through various projects co-curriculum, extra-curriculum events.
*Impart social, environment awareness and responsibility in students to serve society and industry to promote sustainable growth.
